8 UNITED STATES DISTRICT COURT
9 NORTHERN DISTRICT OF CALIFORNIA
10 SAN JOSE DIVISION

11 BERRY LYNN ADAMS,) Case No.: 10-CV-00602-LHK
12)
13 Plaintiff,) ORDER RESETTING PRETRIAL
14 v.) CONFERENCE AND TRIAL DATE
15 DANIEL L. KRAFT, a State of California Park) (re: dkt #162)
16 Ranger, et al.,)
17 Defendants.)

18 On October 26, 2011, the Court granted Plaintiff a one-day extension to file his motions in
19 limine, pursuant to Plaintiff's request for an extension due to a family medical emergency. In that
20 Order, the Court noted that it would not reschedule the pretrial conference set for November 7,
21 2011, or the trial set to begin on November 14, 2011. The next day, however, Plaintiff filed a
22 Request for an Order Postponing the Trial Date, supported by a declaration by Plaintiff's counsel
23 providing greater detail about her family medical circumstances. Furthermore, the declaration
24 states that opposing counsel is sympathetic to Plaintiff's counsel's situation and does not oppose
25 this request for postponement.

26 Although the Court is extremely reluctant to postpone resolution of this case, the Court
27 recognizes the exceptional nature of Plaintiff's request and will therefore continue the pretrial
28 conference from November 7, 2011, to December 20, 2011, at 2:00 p.m., and continue the trial
start date from November 14, 2011, to January 3, 2012, at 9:00 a.m. The matter is now set for trial

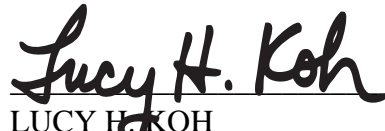

1 on January 3, 2012, from 9:00 a.m. to 4:30 p.m.; January 6, 2012, from 9:00 a.m. to 4:30 p.m.;
2 January 9, 2012, from 9:00 a.m. to 4:30 p.m.; and January 10, 2012, from 9:00 a.m. to 4:30 p.m.

3 The parties shall comply with the Court's Standing Order governing Final Pretrial
4 Conferences in Jury Trials and file their joint pretrial statement no later than 14 days before the
5 pretrial conference. Likewise, Plaintiff shall file his motions in limine no later than 14 days before
6 the pretrial conference. Defendants have already timely filed their motions in limine based on the
7 November 7, 2011 pretrial conference date. For both parties, responses to motions in limine will
8 be due no later than 10 days before the final pretrial conference.

9 Although the Court is sympathetic to Plaintiff's counsel's family situation, the Court will
10 not grant any further requests for extension. Should Plaintiff's counsel find herself unable to
11 comply with this Order, she shall timely file a motion to substitute counsel so that the case
12 proceeds in accordance with the schedule set forth herein.

13 **IT IS SO ORDERED.**
